## PURPOSE

We aim to provide clear guidelines to educators and families regarding babysitting enrolled children of the Service out of hours, which is a separate arrangement to the care and education we provide.

## SCOPE

This policy applies to children, families, educators, staff, approved provider, nominated supervisor, management, students, volunteers and visitors of the Service.

## IMPLEMENTATION

We work to develop a positive and supportive relationship with children and families. We understand that families may request individual educators to babysit or nanny for them outside the Service hours of operation. We pride ourselves on employing educators who are suitably qualified, experienced, reliable and suitable for our Service. However, we are unable to provide assurance to families of an educator's suitability to look after a child or children unsupervised in a babysitting environment away from our Service. Families engaging an educator in private babysitting are not eligible to claim additional Child Care Subsidy (CCS) for this care.

Due to possible legal implications, and child protection legislation and privacy, we strongly discourage employees from babysitting children outside of work hours. However, we acknowledge the educator's right to financial expansion. Therefore, educators undertaking babysitting or nanny positions in their personal time must ensure the following:

- educators must advise the nominated supervisor/management of the Service that a request has been made by a family
- any babysitting arrangements must be recorded in a *Out of Hours Babysitting Agreement-Waiver*
- babysitting must not interfere with the educator's job/work, or availability at the Service
- confidentiality must be adhered to at all times
- educators will ensure favouritism does not result in external relationships with children and families outside of the Service
- families must be made aware that other adults who may accompany the babysitter may not have the relevant working with children checks, which may render them inappropriate persons to care for children
- the Service will not be made accountable for any health and safety issues that may arise within the private arrangement being made

- families understand that our Service has a duty of care to protect children whilst on the premises and in our care; this duty of care does not extend to private arrangements between educators and families outside of the Service. However, educators do have a duty to report any health, safety, and/or wellbeing concerns in and outside of work, including child protection concerns
- educators must understand that an incident whilst babysitting could have an impact on their suitability to work at the Service
- if an educator is to collect a child from the Service, they must be authorised and/or listed as having authority to do so on the child's enrolment form (a record of written authorisation is to be kept in the child's enrolment record)
- educators will complete a private agreement with families in regard to expectations and use of personal mobile phones and devices, and photography to ensure privacy and confidentiality is maintained whilst babysitting
- educators and families will complete the '*Out of Hours Babysitting Agreement Waiver*' acknowledging that they waive the right to hold the Service liable and/or accountable should a child be harmed whilst an educator is in their employment outside of the Service.

### BABYSITTING EXCEPTION

If an employee has a pre-existing relationship prior to the child's enrolment at the Service (relative, family friend, etc.) babysitting is not discouraged. However, to ensure the children's health and safety employees will:

- disclose the relationship to management
- be authorised or provided with written permission by parents/guardians to take a child from the Service
- understand that the Service will not be held responsible for any health, safety, or wellbeing issues that may arise from private arrangements.

### MANAGEMENT/ APPROVED PROVIDER/ NOMINATED SUPERVISOR WILL:

- keep a record of the babysitting arrangement on the educator's staff file.
